## City leaders want Elba to be site of crisis diversion center for South Central Alabama Mental Health

by Linda Hodge, Editor

The Elba City Council voted Monday night, May 23, to enter discussions with the South Central Mental Health Center for Elba to potentially be the home of a new rural crisis diversion center.

Tommy Wright, direc-

tor of the South Central Alabama Mental Health Center, address Elba City Council members Monday night on this potential. He was joined by Sandy Flowers, clinical director for the center, along with other employees and board members from Elba - Rhonda Brunson, Lucia Grantham

and Carol Jackson.

"The Department of Mental Health has told our board we are approved for a new Crisis Diversion Center," Wright said. "The governor has talked about developing these centers across the state to help those in a crisis situation."

He said the first three crisis diversion centers were approved for Huntsville, Montgomery, and Mobile, and since then, centers in Birmingham, Tuscaloosa and Houston County also have been funded.

"We have been promised a center, and this will be about a \$6 million project," Wright said. "We have come to Elba tonight to see what interest your city may have in this project and if you would welcome the project to your community."

Wright said there would be three components to the facility - a walk-in center [person seen and crisis dealt with], a temporary observation unit for stays up to 23 hours, and a 16-bed unit for longer stays up to 7 days. Also, he said there would be two supportive programs to go along with it - a mobile crisis team that could actually go out with law enforcement if issues arise in the community, and an expanded crisis hotline for 24-hour availability.

See CRISIS, Page 10

Tommy Wright, director of the South Central Alabama Mental Health Center, brings a proposal to the Elba City Council for the city to be the site of a new rural crisis diversion center. Elba City Council members voted to open discussions and work to make that happen.

**WRECK PRONE INTERSECTION ADDS TO COLLISION TOTAL...**Friday afternoon, May 20, just prior to 2 p.m., local emergency personnel responded to a two-vehicle wreck at the intersection of U.S. Highway 84 and Alabama Highway 141 in the Curtis Community of Coffee County. For several years now, this has been a popular intersection for traffic accidents causing multiple injuries to many. Fortunately, the accident last Friday was more of a 'fender-bender' type collision with no injuries reported as a Honda Civic [pictured above] from Tennessee that was traveling on Hwy. 141 attempted to cross U.S. Hwy 84 with oncoming traffic. The Civic collided with an SUV traveling on Hwy. 84. All persons involved were checked out, but no one seemingly suffered any injuries. The SUV sustained damage to the front of the vehicle while the Civic was damaged on the driver's side near the back tire. Elba Police were the first on the scene to assist those involved in the crash along with traffic control and they turned that duty over to deputies with the Coffee County Sheriff's Office upon their arrival on scene. Also responding was the Elba Volunteer Fire Department, and Enterprise Rescue. The accident was investigated by ALEA Troopers. Another wreck occurred at this same intersection on Saturday, May 21, just shy of 1 p.m. No further details were available from this accident, but reportedly, it drew a high volume of emergency vehicle response with some emergency personnel remaining on scene until around 2:30 p.m.

**DROP A LINE AT THE COFFEE COUNTY LAKE...**The Coffee County Lake is a great get-away for peaceful fishing, and that was certainly the case a recent Friday morning when this avid fisherman was captured enjoying the quiet recreational lake. Not only did he have several lines cast in the water, but he also found a great way to hide from the sun with his beach umbrella attached to his fishing boat. There was no official word on how well he did this outing, but there is no denying he looked to have found a very peaceful way to enjoy the sunny day on the lake. The Coffee County Lake is operated by the City of Elba, and it is open from sun-up to sun-down every Wednesday - Sunday.

## Elba BOE approves principal contracts during meeting

by Linda Hodge, Editor

The Elba City School Board met Tuesday evening, May 17, and board elections for the year were handled.

For the next year, Greg Sowell will serve as board president and Johnny Senn will serve as board vice president. Sowell will begin presiding over the meetings at the board's next gathering.

Superintendent Chris Moseley said it had been

a goal of his since he took over as superintendent of schools to replace the old, original carpet and other type flooring in the schools. He said the school system is looking at replacing 20 floors this summer.

"That is going to be a very hard task," Moseley said. "That is a lot of floors to get done. We have done eight or nine floors each summer previously, but 20 is our goal this summer along with redoing the high school cafeteria."

The superintendent handed out accolades to the Elba Schools Choral Department on it "outstanding performances of The Lion King Jr.®. He said the performances were incredible, and it was incredible to see

what the students can do.

Board member DeAnn Grantham added that the costumes, which were done in-house, also were phenomenal.

Also, Moseley congratulated the high school golf team on winning the Class 1A/2A boys state championship in golf. He noted this was the second year in a row for Elba to bring home the state title, and he said that was a tremendous feat.

Principals Wynn Grimes (high school) and Kenya Martin (elementary school) were approved for 3-year principal contracts. It was a renewal for Grimes and a new contract for Martin as she had been on a probationary contract this school year.

As for personnel, the board approved the resignations of elementary school teachers Alicia Moore (third grade), and Wendy Sammons (fourth grade). Elementary school teacher hires for the 2022-2023 school year were Felicia Britt, Allie Tucker, and Crystal Nelson. Also, the hire of Kalinda Griffin was approved to be an elementary school aide [via a High Needs Grant - formerly known as catastrophic grant funding].

Representatives with Schneider Electric presented the Coffee County Commission with a Savings Achievement Award during the commission's regular bi-monthly meeting Monday morning. The two entities partnered in 2016 to create energy savings for the county, and Schneider Electric announced Monday the \$1 million milestone of savings had been reached. Pictured above are Coffee County Commissioners, along with the county administrator, county engineer, and officials from Schneider Electric.

## Partnership between Coffee County and Schneider Electric leads to \$1 million in energy savings milestone

by Linda Hodge, Editor

The Coffee County Commission received an award Monday morning, May 23, from Schneider Electric for reaching \$1 million in energy savings the two entities began their partnership in 2016.

Officials with Schneider Electric said the savings were achieved through the county's commitment to energy savings and infrastructure improvement. On Monday, Coffee County Commissioners accepted the Savings Achievement Award - the first level in a series of savings milestones.

**"I am excited to be able to deliver the good news and present this award," said Lawson Steed, client services team member with Schneider Electric. "This has been a healthy project, and these savings are a testament to the work everyone has put into it."**

"I am excited to be able to deliver the good news and present this award," said Lawson Steed, client services team member with Schneider Electric. "This has been a healthy project, and these savings are a testament to the work everyone has put into it."

Throughout the life of the project, the county and Schneider will continue to monitor savings and celebrate as they advance to even greater savings values. Schneider officials said on Monday that they are still in Coffee County actively tracking and monitoring the project to be sure it is delivering on the things Schneider said it would when the two entities part-

nered. In 2015, the Coffee County Commission began renovating its facilities to upgrade the working environment and public spaces. As a result, the commission was able to address the deferred maintenance that comes with older buildings, while also reducing energy and operations expenses annually.

After implementing these improvements, Schneider Electric and Coffee County have continued the partnership through the tracking and monitoring of program performance. The savings are being generated through a variety of measures that improve energy efficiency as well as additional benefits, such as:

- Upgrading interior and exterior lighting
- Mechanical replacements and updates throughout county facilities
- Integrated a Building

## Area Happenings

**A RECREATIONAL POND MANAGEMENT WORKSHOP...**will be held Friday, May 27, at the National Security Farm and Pond, located on County Rd. 404, Elba, Ala. Topics covered will include managing ponds for good fishing, aquatic plant control and nuisance wildlife management. Lunch will be provided. Registration fee is \$10. Pre-registration required by calling (334) 693-3800.

**THE EVERGREEN CEMETERY BOARD**, in Elba, will meet Thursday, June 2, at 6 p.m., at Elba City Hall. This meeting is open to the public.

## EDITORIAL

## BRAINSTORMS

With Ferrin Cox

*"You're never too old, too wacky, too wild, to pick up a book and read to a child." – Dr. Seuss*

OK, by the time you are reading this we are over the hump on the first cycle of our Alabama 2022 elections! That means the majority of the mud slingers have been sidelined by the voters. It doesn't imply we have heard all of the claims and counter claims for the year. It only means that fewer people will be motivated to spread them.

There is a bit of disappointment that no one took Kay Ivey's opponents to task for blaming the latest Alabama gas tax on her. The facts are the voters of Alabama approved this tax which is earmarked for road improvements all across the state. Our idea of calling them out on this issue would have been followed with a question of, "How are you going to fund the 'much needed' road improvements without this gasoline tax?". Of course we chuckled at those candidates who promised to 'prevent' various potential federal actions from impacting Alabama! Wonder if they have never heard of the U. S. Constitution or do they assume the majority of Alabama voters are dumb?

Criticism of the political rhetoric could go on all day, but that is enough of our venting on the issue. The other major races carried some equally absurd claims but hopefully the majority of voters know better than believe that level of politicking. There is a biblical quote that should apply here: **"Mark 8:36.** "For what shall it profit a man, if he shall gain the whole world, and lose his own soul?"

Wells Fargo has closed their Elba branch. This is a pattern the company has demonstrated across the nation – closing small town branches - as they work to improve their bottom line. We watched as they closed Florala and Opp, never dreaming that Elba was next! Hopefully, city officials are working day and night to find a business (or businesses) to fill that nice building.

Local high schools have released another swarm of eager beavers with the hallowed age-old graduation ceremonies. These young folks will scatter to the winds as they move on to the next chapter of their lives. Some plan to seek a higher education or other specialized training, another group undoubtedly will have jobs, and regular pay checks, lined up while others probably have plans or will fall into marriage and starting a family. We wish each of them success and happiness in whatever choice they are making.

Elba will be getting some additional local medical services within a few weeks if everything works out as planned. This is always a good thing to here, as so many people have real problems getting transportation to a doctor's office some distance away.

Be safe, wear your mask when appropriate, social distance, wash your hands AND get the shot(s) and/or boosters!

Asking for Cash Donations to Upgrade Equipment

**Cuzin Lou Lou's**  
**Tales from Yonder**

*Editor's Note: Cuzin Lou Lou's tales are to be enjoyed as a light-hearted form of Southern expression*

Cuzin Lou Lou found herself in an interesting situation last weekend. She was out of town and was super excited when her hotel of choice let her know she could check-in on the mobile app and use her mobile phone as her 'key' to her room...there was no need to even stop by the front desk.

Well...that excitement vanished immediately upon the room door unlocking and Lou Lou pushing said door open! She found she had been sent to a room already being occupied by others!!

"What in the name of Yonder?!?!" Lou Lou exclaimed as she quickly backed away and shut the door again. There might have been another word or two uttered, but Lou Lou would never admit to it since there were no witnesses.

Luckily, there was no one inside the room at the time this happened...just their luggage in plain sight. Lou Lou made her way to

the front desk, after all, and she quickly proceeded to tell the clerk how the mobile key process failed. The response was, "there are two reservations under the same last name and we accidentally applied the wrong number to your mobile app. We are sorry and will get you to the correct room now."

It all worked out in the end, but that sure did not sit well with Lou Lou in the moment! She was traveling alone, and her mind wandered through all the 'what-ifs' had the situation gone bad on her.

Oh, and Lou Lou's consolation gift for the mess up...two bottles of water! Admittedly, she needed some water to 'cool off' after the incident, but later that just made her mad!!

Be assured. Lou Lou will be stopping by the front desk upon check-in from now on...sometimes technology is a big fail!!

Until next time...God Bless and Keep Smiling!

## CEC awards scholarships to local seniors

Covington Electric Co-op (CEC) is deeply committed to supporting education. The Co-Op offers scholarships each year to deserving high school seniors through the Electric Cooperative Foundation in Montgomery, Ala., which evaluates all applications and awards scholarships to students attending technical colleges and universities.

Applicants must be dependents of CEC members to apply. Details about the scholarships are publicized through Alabama Living, the CEC website, social media, and brochures.

CEC offers two \$1,000 scholarships (one for a senior heading to college and one for a senior heading to technical college) at each high school served by the Co-Op. In addition to these scholarships, there are two \$1,000 At-Large scholarships that are awarded to eligible high school seniors attending schools not served by CEC with the same guidelines.

Local area students receiving the 2022 CEC Scholarship were: Anna Flowers and Sydney Holley, both of Kinston School; Jordan Morrow, Zion Chapel High School; and Tucker Kilcrease, Brantley School. Additional scholarship recipients were: Anna Duffy, Andalusia; Emily Chen and Logan Fuqua, both of Pleasant Home; Madison Lee, Red Level; and Linsey Hicks, Straughn.

## Club Yesepoch awards scholarships

Club Yesepoch recognizes two scholarship awardees, Allannah Drake and DyShunta McDaniel, for their noteworthy community service and high academic achievement.

Encouraging local youth to seek higher education by means of honoring them with scholarship awards is an annual club initiative.

Allannah Drake, an Enterprise High School graduate, will attend Enterprise State Community College this fall where she plans to embark upon a degree in psychology, minoring in biology.

"Due to the rapid increase in mental breakdowns in today's society, I need the scholarship so that I can push for the changes that are needed," Drake said. "I want a young black girl to look at me as a successful, well-rounded, intelligent black psychologist, author, and business woman and say, 'I can be her.'"

Drake has been scholastically recognized on the local and national level through the National Honor Society and National Society of High School Scholars. As a student she has volunteered her talents to the performing arts in addition to leadership activities.

DyShunta McDaniel, an Enterprise High School graduate, the daughter of Laureen McDaniel, has been accepted at Troy University, where she plans to pursue a degree in kinesiology, minoring in business management.

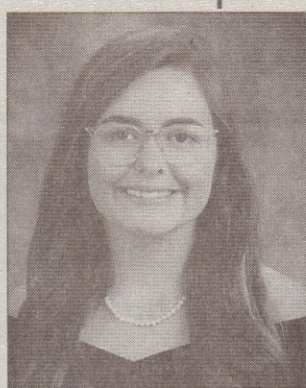

"I am sure this scholarship will help a young person like myself fulfill their chances of being able to continue their education and reach their career goal," McDaniel said. "My mother has worked really hard to instill in my sister and me that education is key. I want to focus on my coursework and do the best I can to reach my ultimate

## Locals named to WCC Dean's List for Spring 2022

Wallace Community College, Dothan, Ala., recently announced the Dean's List for Spring 2022.

Students awarded to the Dean's List must have completed a minimum of 12 semester hours with a grade point average of 3.5 or higher. Local area students named to the Spring 2022 Dean's List were:

- Hannah Boutwell of Jack, AL
- Enley Carnley of Kinston, AL

Anna Flowers, Kinston

Sydney Holley, Kinston

Tucker Kilcrease, Brantley

Jordan Morrow, Zion Chapel

## Gracie Coppage elected SGA Clerk at Troy University's Dothan campus

Gracie Coppage, of Elba, Ala., has been elected to serve as Student Government Association Clerk at Troy University's Dothan Campus during the 2022-23 academic year.

Students selected new representatives during an election in the spring 2022 semester. The offices up for election were President, Vice President, Secretary and Clerk.

Leaders are chosen from the Trojan community each

spring to lead the SGA. The student body elects these individuals to lead them, address their concerns and implement the changes the student body deems necessary on campus.

TROY's SGA represents the student body within the university administration and the community. The SGA advocates the interests of TROY students and works to better the student experience through community events and opportunities.

## Ingerman named to SNHU President's List for Winter 2022

Christal Ingerman of Elba has been named to Southern New Hampshire University's Winter 2022 President's List.

Allannah Drake

DyShunta McDaniel

goal of graduating and starting my career."

As a student and a humanitarian, McDaniel credits herself with numerous curricular, leadership, and service activities. She has been scholastically recognized on the local and national level through the National Honor Society and National Society of High School Scholars.

## ROBERT ADAM SANDERS

Mr. Robert "Robby" Adam Sanders, age 33, of Kinston, Ala., died Thursday, May 19, 2022, at his home.

Funeral services were held Monday, May 23, 2022, from Wyatt Funeral Home Chapel in Opp, Ala., with burial following in Rhoades Cemetery, Rev. Kit Johnson officiated the services.

Serving as pallbearers were Alan Sanders, Joseph Sanders, Kyle Sparks, David Reeves, Ray Phillips and Jim Hazelett.

Robby was preceded in death by his maternal grandfather, Jefferson Voss; and cousin, Gregory Hayes.

Survivors include his parents: Jennifer Jane Voss Sanders and Robert Alan Sanders; brother: Joseph Alan Sanders (Jodi); sister: Sarah Jane Sanders; paternal grandparents: Maxine & Lawrence Sanders; and maternal grandmother: Jane Voss.

## JEAN FULMER ROGERS

Mrs. Jean Fulmer Rogers, age 84, of Alpharetta, Ga., died early Thursday, May 19, 2022, at AccentCare Hospice in Cumming, Ga., after recent hospitalizations from pneumonia.

Jean was born June 25, 1937, in Florence, Ala. and moved as a young child to Chattanooga, Tenn. She graduated from Chattanooga

High School the same year she married her husband of 67 years, James T. Rogers (Jim).

Jean and Jim started their life together after her high school graduation and his graduation from University of Chattanooga and as a commissioned officer in the U.S. Army in Ft. Sill, Okla.

Jean held several executive assistant positions throughout an extended working career, starting back in Chattanooga and at each location the family settled. Jean and Jim moved to Elba, Alabama where they raised their children from 1969 to 1980. There Jean worked as the assistant to the superintendent of schools; then to Montgomery after the kids had left for college where she worked for the president of Huntingdon College; and finally, to Atlanta in 1983 where Jean served as assistant to the CEO of a large graphic printing company until her retirement in 1990.

A memorial service was held Sunday, May 22, 2022, at Alpharetta First United Methodist Church.

Funeral services and interment were held the following day, Monday, May 23, at Chattanooga Memorial Park Cemetery. Funeral arrangements were coordinated through Northside Chapel, Roswell, Ga.

Jean is preceded in death

by her parents, Q.D. Fulmer and Pearl Broadfoot; her brother, James Herndon Fulmer; and her daughter, Deborah Jean (2015).

Survivors include her husband, Jim; son, Jim (Ximena); daughter, Tricia (Doug); and four grandchildren, Alex Green (Alexis), Jim Rogers III, Harrison Green, and Hannah Rogers.

## OWEN THOMAS FREE SR.

SFC Owen Thomas Free Sr., Retired, age 86, of Harker Heights, Texas, died Friday, May 20, 2022.

He was born March 3, 1936 in Coffee County, Ala.

Mr. Free

met and fell in love with his wife, Jeanette, at a young age. They married on August 6, 1955.

Owen served his country

for 23 years, worked as a

volunteer police officer for

the Harker Heights Police

Department, and worked

security for two companies.

Graveside services will

be held at 9 a.m. Friday,

May 27, at the Central Texas

State Veteran's Cemetery in

Killeen, Texas with full

military honors.

Mr. Free is preceded in

death by his parents, and his

wife, Dora Jeanette Free.

Survivors include his

son: Owen Thomas Free Jr.,

Harker Heights; his daughter:

Felicia Ayala (husband,

Juan), Harker Heights; a

brother: Charles Free, Basin

Community; grandsons:

Russ Hall and Ray Hall,

both of Harker Heights,

Juan Ayala, Huntsville, Ala.,

Tommy Free, Dallas Texas;

granddaughters: Natasha

Woitunski and Misty Grenier,

of Massachusetts, Jeanne

Helms, Aledo, Texas,

and Courtney Everts, Coppas

Cove, Texas; 17 great-

grandchildren, three great

great-grandchildren, numerous

nieces and nephews.

## What Do the Folds of the Flag Mean?

In the memorial service of any U.S. military veteran, the American flag plays a vibrant role. One of the key moments in the ceremony comes when the flag that's draped over the casket is taken up and carefully folded into a triangle shape.

What you may not know is that the flag is folded a total of 13 times—and that each fold of the flag has rich symbolic meaning.

1. The first fold symbolizes life.
2. The second fold indicates a belief in everlasting life.
3. The third fold honors the service member who has departed, after sacrificing a portion of their life to keep the rest of us safe and secure.
4. The fourth fold denotes our weaker nature as citizens, and our ongoing trust in God to guide us.
5. The fifth fold stands for the country itself, and our belief that, though the country may sometimes be wrong or right, it's always our country.
6. The sixth fold represents the heart, with which we pledge allegiance and honor our nation.
7. The seventh fold is a tribute to the Armed Forces that safeguard our land.
8. The eighth fold represents the person who has descended into the Valley of Death's Shadow; it also honors the mother, for whom the flag is flown on Mother's Day.
9. The ninth fold honors the character of womanhood and the men and women who together have shaped this country.
10. The tenth fold represents the father, for he, too, has sacrificed his sons and daughters to protect this land.
11. The eleventh fold is seen, in the eyes of Jewish individuals, as representing the seal of King David and the God of Abraham, Isaac, and Jacob.
12. The twelfth fold is significant to Christian believers, who see it as an emblem of eternal life and of the Trinity.
13. The final fold of the flag allows us to see only the stars, which remind us of our nation's identity as "one nation under God."

There is much depth and beauty even to something as simple as the folding of a flag; remember this rich symbolism the next time you see a U.S. veteran honored in this way.

## YOUR SAFETY CONNECTION

Never connect a portable generator directly to your home's wiring. Doing so could kill someone working to restore power. Instead, use a heavy-duty extension cord to plug in appliances.

Connecting you to safety!

CHURCH & OTHER NEWS

PASTOR'S CORNER

by Kit Johnson, Pastor  
First Baptist Church, Elba

A Memorial Day Reflection

What were once important dates like my birthday, high school graduation, date of enlistment into the military, etc. have become less significant over the years; however, certain days seem to become more meaningful with each passing year. One such is Memorial Day.

Whether anticipated as the holiday that kicks summer off or simply enjoyed as a free Monday that extends the weekend, Americans everywhere will be making the most of the day/weekend. Unfortunately, it will be a difficult day for some families. Let me tell you why.

It was originally called Decoration Day from the tradition of decorating graves with flowers. It has always been a day to remember those who have died securing freedom for the next generation. In 1868 Gen. John Logan of the Grand Army of the Republic organized a day of remembrance in which 5,000 people honored 20,000 fallen in Arlington National Cemetery which led to a chain of similar services across the U.S. In 1971, Congress officially recognized it as a National Holiday naming it Memorial Day.

You see, the day can be especially hard for those whose loved one made the ultimate sacrifice. Perhaps you understand now why, no matter our weekend plan, I ensure we pause in prayer for the families of those who have fallen and thank God such men and women lived.

The service of these being remembered illustrates the love to which Jesus spoke. He spoke in John 15:13, "Greater love has no one than this, that one lay down his life for his friends." Jesus shared this knowing that He would soon give His life for those He loved.

As for remembering those who have served well, I am reminded of the tribute to David's "mighty men" given in 2 Samuel 23:8-39. You may wonder how God would be glorified in our remembrance of such heroes, but verses 10 and 12 provide explanation. Twice we read "the Lord brought about a great victory." Unfortunately, I cannot say that each were serving the Lord as they served our country, but I do know that God has the ability to use sinners and saints alike. I celebrate the memory of one knowing they were used to bring about God's divine plan. To God be the glory.

This Memorial Day I challenge you to do two things. First, thank God for those He has used to illustrate a love so selfless that it sacrifices life itself. If you do not personally know any who have given their life, read a few narratives to your children you can find online to ensure your family understands the cost of freedom. Secondly, pray for the families who still grieve the loss of their loved ones. Reach out to any you may know and tell them how thankful you are for their loved one. At the very least, do not let the day be reduced to beach trips and BBQ grills.

In Christ,  
Kit Johnson

Military Support Group Meetings:

Enterprise Military Support Group meets on Tuesdays at 7 p.m. Anyone who needs to talk about difficult experiences and needs an understanding friend is invited. Meetings at Church on Boll Weevil Circle, 2017 Boll Weevil Circle, Enterprise, Ala.

Reception in honor of Dr. John Granger set for May 29 at CCBA

The Coffee Baptist Association will host a reception [with building naming] Sunday, May 29, honoring Dr. John Granger for his 30 years of service in Coffee County. This event will be at 2 p.m. at the Coffee Baptist Association office, located at 603 East McKinnon Street, New Brockton.

Family Fun Day 2K22 planned for Sunday at Harris Temple COGIC

A.C.T.S. Ministries will host Family Fun Day 2K22 on the grounds of Harris Temple C.O.G.I.C. on Sunday, May 29, from 4-6 p.m. There will be food, games, inflatables, fellowship, face painting, sack races, and a kickball tournament. DJ Flake also will be on site. All are welcome.

Church Anniversary celebration set for June 5 at Harris Temple COGIC

Harris Temple Church of God In Christ will celebrate its Church Anniversary on Sunday, June 5, at 3 p.m. Guest speaker for this special service will be Superintendent Terry Ellison, senior pastor of New Life COGIC, Montgomery, Ala. Harris Temple C.O.G.I.C. is located at 747 Adams Ave., Elba. All are invited to help celebrate the church anniversary.

It's Revival Time...Come Worship With Us!

Greater Bethel AME Church, 950 Harper Drive, Elba, Ala., will host a "One Night Only" Revival Service on Monday, June 13, at 7 p.m. The guest challenger will be Elder James Starks Jr., pastor of New Glorious Church of God In Christ.

Taking the Plunge

A thin wire trailed high above a muddy river. Our friends waited on the opposite shore for me to entrust my safety to the ramshackle zip line.

No amount of praying and pleading, whining and wheedling changed the situation. I just had to take the plunge and jump.

That experience has proved helpful many times since. There comes a point when we've done enough thinking and talking. Then it's time to trust God and step out in faith. Marriage, having children, working in an African refugee Camp, God has lists for us. Abraham is a hero and mod-

el in taking the plunge of faith. He began by obeying God's command to leave his homeland, and so he "went out not knowing whither he went" (Hebrews 11:8).

What a leap of faith! He didn't stop there. When God asked him to believe the impossible, that even in his childless old age, he would have more descendants than he could count, Abraham chose to let go of his fears and believe. As a result, God "counted it for him for righteousness" (Genesis 15:6).

Is there anything that God wants you to do but you are putting it off? If so, why? - D. & L.G.

Question / Answer Section

Q/A for the Week of 5/26/2022

Multiple Choice

Q: The people of Israel needed a new what? - Pick Two (attitude, heart, command, spirit)

A: heart and spirit [Ezekiel 18:31]

Q: Isaiah prophesied that the blind would see out of what? (darkness, light, glass)

A: darkness [Isaiah 29:18]

Q: What two words did Paul use to describe Abraham's circumcision? (seal, pain, regret, sign, mark)

A: seal and sign [Romans 4:11]

Thought to Remember

All of your goodness are nothing but filthy rags in God's sight

Questions for the Week of 6/2/2022

Multiple Choice

Q: Jonah was called to preach in what great city? (Babylon, Nineveh, Jerusalem)

Q: The great city in which Jonah preached was prophesied to be destroyed in how many days? (666, 40, 3)

Today is a Good Day!

Be Grateful.

Eria's Daughter, Sue

## LIFESTYLES

This group of homeschooled children enjoyed a program last Thursday morning on soil. The program was presented by Doris Skipper with the Alabama Soil and Water Conservation District. A highlight of the morning for the students was getting to make edible dirt! Skipper (back, center with cap on) is pictured above with the students.

## EPL hosts program for homeschooled children

The Elba Public Library hosted a special program for homeschooled children Thursday morning, May 19, at the library.

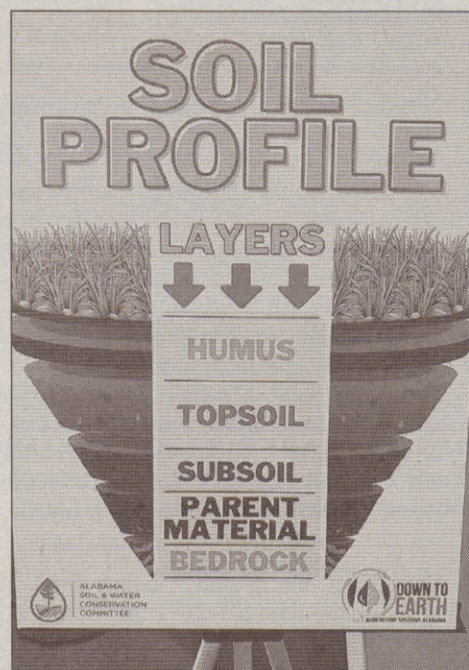

Library director Jennifer Amlong said Doris Skipper from the Alabama Soil and Water Conservation District came to speak to the group, and she spoke about the different layers of the soil. She explained how each layer is important.

"We also talked about pollinators, seeds, and plants," Amlong said. "Each child took home a book, and we made seed art and made edible dirt."

The Elba Public Library offers a wide range of activities for children and adults each month. Also, the library will hold a Summer Learning Program in June. Registration for this program is open now.

To register a child for the Summer Learning Program, stop by and pick up a registration form or email: library@elbaal.gov.

The theme for this year's learning program is "It's Oceans of Possibilities!"

Several members of the Elba High School Class of 1966 and others gathered Tuesday morning, May 10, for their monthly breakfast meeting. There were a few new faces this time also. Those present for the breakfast (in the photos above, no particular order) were: Bobby Edmondson, Sara Warr Strong, Judy Galimore Brown, Pam Vaughan Baker, Merrill Shirley, Kenneth Baker, Butch Oggs, Sammy Lowery, Terry Calhoun, Billy Smith, John Lawless, Jerry Brown, and Neil Hutto.

## New Brockton native Brandi Howard graduates from Auburn with Doctor of Philosophy degree

Brandi Howard, an alumnus of New Brockton High School, graduated May 7, 2022 from Auburn University with her Doctor of Philosophy degree in administration of supervision and curriculum.

Howard's dissertation was entitled "Professional Learning Communities: An Examination of 21st Century and Traditional Facility Designs."

"I chose this topic because educators can no longer be isolated," Howard said. "To improve teaching and learning, educators must share best practices with colleagues and sometimes model those practices to improve student learning."

She said as an elementary educator she can attest to the benefits of collaboration with her grade level team, special education teachers, interventionists, etc.

"My colleagues helped me provide different learning opportunities for students at their current level and those practices improved my students understanding of the standards," Howard said.

Additionally, she said she was interested in building design because she has taught in a traditional, 21st century, and pod layouts.

"I wanted to examine collaboration in those layouts and see if the layout of the school fosters teacher collaboration or is it the collaborative structures (when to meet, where to meet, and the physical and human resources)," Howard said. "My study found that the collaborative structures that were in place facilitated meaningful discourse among educators."

She added, "teachers need other teachers as thinking partners to provide quality instruction to students for student achievement."

In a leadership role, Howard said she could better support her teachers with this doctorate degree.

"As a teacher you can only do so much," she said. "We see changes need to be made in leveling the educational field. All students need equal access to education at the current level."

Howard has been an elementary educator for 11 years. Currently, she is an assistant principal in

Brandi Howard graduated May 7th from Auburn University with a Doctor of Philosophy degree in administration of supervision and curriculum.

Ramstein, Germany for the Department of Defense Education Activity. She has been in Germany since September 2021.

Brandi is the daughter of Cal Howard of New Brockton.

"I plan to use my research to support educators as they identify best practices for improving teaching and learning for all students," she said.

## ACES set to host ServSafe training program in New Brockton in June

The Alabama Cooperative Extension System will be hosting a ServSafe training program on June 21-22 at the Coffee County Extension office in New Brockton.

This is a required food safety course for food permit holders. It is a 2 day in-person course with a written exam. The cost of the course is \$140 and you must register online. This course may be needed for restaurant managers and cafeteria managers and food vendors.

It is a nationally accredited program through the Restaurant Association.

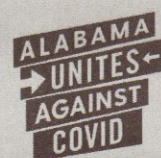

Register online at: <https://www.aces.edu/event/servsafe-training-new-brockton-2/>

For more information, contact Food Safety Regional Extension Agent Bridgette Brannon at 334-714-1248.

**Take care of yourself and others with an easy test.**

Don't wait. If you have symptoms, find out if you have the virus. The testing is simple, fast, and effective at identifying COVID-19.

Thanking Dr. John Granger  
Coffee Baptist Association - 30 Years

Coffee Baptist Association has made many changes over 30 years. The churches have changed. Thanks to input from pastors and lay people of the churches, the association as an entity has made much progress.

Some people like to look at financial standing. When Dr. Granger came to Coffee County in 1992, the total church gifts to the association program was \$62,415. Along with that, we had recently purchased the Vineyard Christian Retreat and still owed basically the full purchase price.

As Moderator, Dr. John worked alongside DOM Joel Jackson to help churches see the value in our cooperative work and in the Vineyard. He continued to do that when he became DOM.

Church gifts to association work now are about \$250,000 a year. With proceeds from Vineyard use and designated gifts, the financial secretary accounts for about one half million dollars a year. (The Vineyard charges groups for staying there, but it is a ministry, not a for profit enterprise. It normally runs just in the black.)

To make the Vineyard better for guests, adjacent properties have been bought and capital improvements have been made. Churches responded to the challenge to pay for these ministry buildings, as they have for their own church buildings. These probably add over 3 million dollars of assets.

Steve Tipton and numerous volunteers have accomplished this. Steve has engaged groups like Carpenters for Christ and Campers on Mission, along with local volunteers, to build or repair buildings. The Lord has blessed the work done by so many people.

Southern Baptists also are involved in one of the largest disaster relief organizations in the world. Our county unit has ties to similar organizations in other counties. We are connected to the state leadership and have ties to the national organization.

We have had some outstanding leaders. Ricky Snellgrove, Dean Craig, Joe Grimsley, and Mike Dickerson are some. They have served in many small and large disasters.

When the '07 tornado hit, we had previously connected with the EMA Director. By day break the next morning, we had chainsaw teams from neighboring counties working in Enterprise. There literally were a few thousand volunteers who connected with Kaye Clark, our office contact. They did priority work, general clean up, and helped rebuild homes.

Loving people had sent in a warehouse full of food. The city could not deliver it. City Fathers asked Ricky about our organization doing it. Kaye enlisted several key people and many workers. They got it done. The 2008 Outstanding Service Industry Award was presented to CCBA by the Farm City Committee.

Today CCBA Disaster Relief is recognized for its excellence. The association helped them acquire an equipment trailer, a skid steer, and a bucket truck. These things help them to be productive and safe.

### Views From

## The Pressbox

By Ricky Mularz, Sports Editor

*I have never been one to get very excited about getting or receiving awards, but the students at the Elba Elementary School get excited every year about this time at 'Awards Day' and I'll have to admit our grandson Lawson was mighty proud when he showed his granddaddy the honors he received last week at the annual event. From all the pictures I saw posted on the internet, I guess a lot of families were happy to share the excitement. So, maybe awards are okay, after all.*

### For what it is worth....

\*\*\* *I talked with Elba Tiger football coach Marc Sieving* over the weekend about last week's spring game and it was easy to tell the third-year Tiger head coach was very excited about the upcoming season. He wasn't too thrilled about the number of players that completed spring drills and made it clear that depth will be a key factor in the team's success, but was excited about the hard work everyone put in and couldn't hide the fact he was looking forward to next season and a return to the 1A ranks. It's a little crazy to be getting excited about high school football in May, but I've got a feeling the Elba Tigers and their fans have a fun season ahead.

\*\*\* *The Brantley Lady Bulldogs placed third* last weekend at the state high school softball tournament, and while the finish was a disappointment to the players, coaches and fans, the success of the Lady Bulldogs in softball takes a back seat to no school in the state, regardless of classification. Whenever Brantley enters a tournament it is an immediate favorite to take home the title, and after winning the state championship last season everyone just took it for granted it would get another title this season. While that assumption is unfair to the players and coaches, it is just the way it is up in Brantley. I too never expect the Lady Bulldogs to lose, and after a 3-2 extra inning win over Skyline in the second round I had already decided the headline on the sports page would be 'Lady Bulldogs refuse to lose.' While I know the third place finish left a bad taste in the mouths of the Lady Bulldogs, I also know they will remember that taste until next season rolls around and they won't forget it until they bring home another state title.

\*\*\* *The New Brockton Gamecocks wrapped up* spring football drills last week with a game against Goshen, and while the Gamecocks came out on the short end on the scoreboard, it was a successful spring as they brought a big batch of young players into the program and looked to fill holes left by some very talented seniors. When I talked with some people that attended the game the first words that came out of their mouths were 'man they have some big guys.' The Gamecocks are always big in the line and always have some speedy and hard-running backs, and that will be true again next season. Fans need to forget the final score and remember that spring training is for teaching and evaluating players, and I am pretty sure the coaches would call that goal a success.

\*\*\* *In closing....* The big news last week on the college football scene was the so-called feud between Alabama's Nick Saban and Texas A & M's Jimbo Fisher. Saban told a gathering one night in Birmingham that while Texas A & M had the #1 recruiting class this year, it had bought every single recruit and used the speech to again warn about the future of college football due to the new 'NIL' agreements. Fisher reacted like a kid caught with his and in the cookie jar and the next day went on a rant about how Alabama was just jealous it didn't get the top rated class and called Saban a liar and a narcissist. SEC commissioner Greg Sankey said basically the same thing the same day, while not singling out Texas A & M, and even the 'old ball coach' Steve Spurrier questioned if Saban had said anything that wasn't true. Fisher had a similar reaction a few months back when an un-named source reported Texas A & M had spent \$30 million to sign the class, and it looks like the Aggie head coach can't admit the obvious and just say his program took advantage of the new rules and did what it did. In my opinion, Fisher is the most over-rated head coach in the college ranks, took the \$75 million and ran to Texas as fast as he could when his program at Florida State began to crumble, used the rich alumni at Texas A & M to cough up hundreds of millions of dollars to bring in many of the nation's top players, and since his team beat Alabama last season on its way to a lackluster 8-4 record now thinks what he says matters. For Bama fans it is a case of mind over matter, we don't mind because he don't matter!

### In 3rd place state tourney finish

## Lady Bulldogs bats go silent

The Brantley Lady Bulldogs saw their dreams of claiming back-to-back state softball titles end last weekend at the AHSAA State Softball Tournament when they suffered back-to-back shutout losses after posting wins in their opening two contests.

The Lady Bulldogs defeated Maplesville 10-0 and Skyline 3-2 to advance to the winner's bracket finals, but then failed to score a run in losses to Holy Spirit 6-0 and Skyline 1-0 to place third in the eight-team tournament.

Following are recaps of the four tournament games:

#### Brantley 10 Maplesville 0

The Brantley Lady Bulldogs used an 8-run fourth inning to take command in a 10-0 opening round in over the Maplesville Lady Devils.

The Lady Bulldogs carried a slim 2-0 lead into the fourth, but came to life at the plate to take command. Alex Grimes opened the inning with a single, stole second and reached third on a bunt single by Lindsey Wells. A bunt single by Emma Crawley loaded the bases with no outs, and when Sheonte Barginere drew a walk Grimes trotted home to push Brantley's lead to 3-0. Back-to-back two-run doubles by Campbell Hawthorne and Kayden Dunn upped the lead to 7-0, while Annah Little added an rbi single, and AC Free ripped an rbi triple and later scored to seal the 10-0 win.

Emma Crawley had 3 hits, scored 1 run and had 1 rbi to lead the Lady Bulldogs at the plate, while Alex Grimes added 2 hits, scored 1 run and had 1 rbi; Kayden Dunn added 2 hits and 3 rbi's; Campbell Hawthorne added 1 hit, scored 2 runs and had 2 rbi's; and, Annah Little and AC Free both added 1 hit, scored 1 run and had 1 rbi. Kaylee Navarre was the winning pitcher as she tossed a five-inning one-hitter with 13 strikeouts.

#### Brantley 3 Skyline 2

The Brantley Lady Bulldogs remained in the winner's bracket as they pushed cross two runs in

**BRANTLEY LADY BULLDOG DYNAMIC DUO....** Seniors Kayden Dunn (left) and Sheonte Barginere closed out their careers last week at the Class 1A state high school softball tournament with a third place finish.

(Photo by Cody Nichols)

the bottom of the eighth inning to escape with a 3-2 win over the Skyline Lady Vikings.

Brantley jumped out to an early 1-0 lead in the bottom of the first inning when Sheonte Barginere led off with a walk, reached third on a sacrifice bunt by Campbell Hawthorne and scored on an rbi single by Kayden Dunn. The Lady Bulldogs stranded two runners in the second, but went down in order the next three innings and trailed 2-1 heading into the bottom of the eighth. Sheonte Barginere reached on a one-out single in the bottom of the inning, moved to second on a bunt single by Campbell Hawthorne and trotted to third when a walk to Dunn loaded the bases. Barginere scored on a passed ball to tie the score at 2-2, and Hawthorne scored on a bunt by Annah Little as the Lady Bulldogs pulled out the exciting 3-2 win.

Annah Little had 2 hits and 1 rbi to lead the Lady Bulldogs at the plate, while Sheonte Barginere added 1 hit and scored 2 runs, Campbell Hawthorne added 1 hit and 1 rbi, and Kayden Dunn added 1 hit and 1 rbi. Kaylee Navarre was the winning pitcher as she tossed eight innings and allowed one earned run on five hits, while striking out 11.

**Holy Spirit 6 Brantley 0**  
The Brantley Lady Bulldogs surrendered five runs in the third inning and never caught up in a 6-0 loss to Holy Spirit, in the winner's bracket finals.

A one-out double by Kaylee Navarre and a walk to Alex Grimes put two runners on base for the Lady Bulldogs in the second, but Brantley failed to take advantage of the opportunity to put runs on the scoreboard, and in the fourth inning loaded the bases with one out after singles by Navarre and Grimes, and a bunt single by Lindsey Wells, only to again come away empty-handed as they suffered the loss.

Kaylee Navarre had 2 hits to lead the Lady Bulldogs at the plate, while

Alex Grimes and Lindsey Wells both added 1 hit. Two Brantley pitchers combined to toss six innings and allowed six earned runs on 14 hits, while recording 12 strikeouts.

#### Skyline 1 Brantley 0

The Brantley Lady Bulldogs never got a runner past second base in a 1-0 elimination contest against the Skyline Vikings.

The Lady Bulldogs put a runner on first in the second inning on a single by AC Free, in the third when Sheonte Barginere was hit by a pitch, in the fifth on a single by Alex Grimes and in the sixth on an intentional walk to Kayden Dunn. However, the defending state champs never got a runner to the plate and allowed one unearned run in the third as they saw their tournament run come to an unexpected end.

AC Free and Alex Grimes both had 1 hit to lead Brantley at the plate, while Kaylee Navarre was the hard luck loser inside the circle as she tossed a complete game no-hitter with seven strikeouts.

### Andalusia's Taylor Sasser commits to cheer at University of Mobile

Taylor Sasser, a senior at Andalusia High School, committed Wednesday, April 20, to the University of Mobile to cheer at the college level.

She said she has always wanted to be a college cheerleader, and this commitment brings a lifelong dream to fruition. She said she is "beyond grateful" for this opportunity.

Sasser said to achieve her dream, she had to push herself to be better. Now it is a reality, and she said she is looking forward to meeting new people and building a new relationship with the University of Mobile squad.

Sasser has been cheering since she was eight years old, and she said she has always loved the energy cheerleading brings to an event and the spirit cheerleaders have for their

**Taylor Sasser with University of Mobile head cheer coach Kami Whiteis** as she signed her letter of intent to cheer at the collegiate level.

school. She also said cheering has taught her how to be a leader of a team and work with others.

Sasser said a highlight of her cheering career for Andalusia High School was being co-captain of the squad her senior year.

In an Andalusia Star News article from April, former Andalusia Cheer Coach Candace Smith said Sasser has "always showed hard work and dedication with her teammates. She has always shown patience and persistence and is confident, hard-working, loving, and God-fearing."

Smith said she has no doubt Sasser will make an excellent athlete at the college level.

Growing up, Sasser said she looked up to the older cheerleaders, and she told herself she would one day

be a cheerleader too. When she did become a high school cheerleader, she said she knew other little girls would then be looking up to her, just as she had the ones before her.

"I love how the little girls look up to me," Sasser said in the Andalusia Star News article. "It brings me so much joy when I see all their faces light up with joy when they see me."

Sasser said she recognizes that being a good role model is important for cheerleaders, and she hopes to be just that for others.

Further, she notes the important role her loved ones have played in her successful cheer career. She said having her family support her dream means the world to her, and she said she could not thank them enough.

Sasser graduated from Andalusia High School on Friday, May 20th. She is the daughter of Chris Sasser and Ashley and Greg Turner. Locally, her grandparents are Bruce and Phyllis Sasser of Elba. She also is the great-granddaughter of Charles and Sue Sasser and Foy Ann Harrelson, also of Elba.

## Elba Coach Sieving excited after spring drills

The Elba Tigers wrapped up spring football drills last week with a 'Black and Gold' intra-squad game and despite playing with a limited playbook on both sides of the ball gave Tiger fans and coaches a reason to be excited about the upcoming season.

"I thought the game went really well and was happy to see the players compete throughout the game despite the heat and the fact almost everyone went both ways," said Elba Tiger head coach Marc Sieving. "We split up the teams as evenly as possible to make the game as competitive as possible and tried to give everyone game-type situations. After looking at the game on film we saw some guys that really got after it and competed for all four quarters. This spring was a time to learn about the Elba Tigers and not have to worry about an opponent, and it worked like we hoped as everyone got to

play and got the chance to show what they could do in a game."

"Going into the spring we needed to get a long look at a lot of players and work on our depth chart," added Sieving, "and we got that done. We have some young players that have the chance to be really good high school football players, and some that have the skills and desire to take it even farther. We had so many open spots heading into the spring that we had to take the time to teach and get the players better fundamentally. I was pleased with the effort throughout the spring and while we still have some spots to fill, we have players that we believe can fill those spots nicely and will step up this fall."

Coach Sieving also reported he was particularly pleased with the improvement at place kicking and at the blocking back position, where he discovered

two players that should fill the vital role on the unbalanced single-wing offensive attack.

"We will get back to work on June 13 after a short break that should give both the players and coaches a little time to recover from off-season and spring workouts," added Sieving. "We will go out in shorts and helmets and work inside and outside every day. We still have a lot to teach on both offense and defense. On defense we will have to out in base sets against various looks, install some more coverages and blitzes, and find some depth at linebacker and in the line. Over, on offense, we have a lot of work to do in the line to get ready for multiple fronts we may see during the season, put in four or five formations and make a few minor changes to a couple of things we hope to do. Conditioning will be huge, as always, especially

since we have players that may never leave the field. We started a forced hydration program last season in which the players drink water throughout the day to keep their bodies properly hydrated, and we will do that again in the preseason and in the season."

"It was a very important spring for the Elba Tigers football program, it will be a very important summer workout program and that will carry over to the preseason program," said Sieving. "We have to fill a lot of spots and make sure we get the right players in the right spots. We have got to get the players ready, but we as coaches also have to make the right decisions and make sure we have the best players on the field, and have the others ready to step in and play to give us depth. High school football is a twelve-month sport, and we know to be successful we can't waste a single day."

Elba Tiger head football coach Marc Sieving looks on as his team competes at the annual 'Black and Gold' intra-squad game.

New Brockton Gamecocks defenders arrive to stop a Goshen runner for a short gain in last week's spring game. The varsity and junior varsity squad's from both teams saw action.

## Gamecocks wrap up spring

Statistics by Brandon 'Speedy' White  
Photos by Ashley Bertsch

The New Brockton Gamecocks closed out spring football practice last week with a clash against the Goshen Eagles and gave their fans a preview of things to come as both the varsity and junior varsity took the field in a four-quarter contest.

The Gamecocks rolled up 250 yards in total offense in varsity competition, led by 169 yards on the ground. Karyus McNabb rushed for 82 yards on 13 carries and

scored touchdowns on runs of 41, 8 and 18 yards, while Baylon Foster added 56 yards rushing on 10 carries. Foster also completed 4 of 10 passes for 81 yards and one touchdown, with Ethan Tyler pulling in 2 passes for 81 yards, including a 42-yard td reception.

The New Brockton defense was led by Gabe Herrington with 4 tackles, while Bryant Crumpler had 3 stops, including 2 tackles for losses, and Bradley Adkinson also had 3 tackles.

New Brockton will open the season in August when it hosts the Elba Tigers.

### Employment Opportunity

**Job Title:** Assistant City Clerk/Bookkeeper

OPENING DATE: Immediately  
CLOSING DATE: June 3, 2022

**JOB SUMMARY:** This is a highly responsible supervisory and functional position. The incumbent will perform duties as the City Clerk in that individual's absence. The incumbent will also perform professional level bookkeeping and accounting functions for the City. This position entails performing a variety of assigned accounting tasks in the operation of an established accounting system to include the maintenance of moderately complex accounting records, internal auditing and tracing of financial records for accuracy and conformance with established accounting practices and analyzing certain financial records, statements or reports as required.

**QUALIFICATIONS:**

1. Considerable knowledge of the theory, principles, methods and practices of generally accepted and commonly used accounting and auditing systems.
2. Ability to perform, analyze and interpret financial and accounting records and to prepare accurate, complete and timely financial reports and statements.
3. Ability to establish and maintain harmonious working relationships with superiors, co-workers, elected officials and persons outside the city.
4. Preferred associate's degree or higher in accounting.

**SALARY:** Based on experience and qualifications.

**BENEFITS:** The City of Elba offers BC/BS Health and Dental Insurance, State Retirement, Paid Vacation, Sick Leave and Holidays.

**HOW DO I APPLY?** Applications are available at Elba City Hall, 200 Buford Street, Elba, AL 36323 or online at [www.elbaalabama.net](http://www.elbaalabama.net). All applications should be returned to Elba City Hall.

### ALEA kicks off '101 Days of Safety' with Memorial Day holiday weekend

This Memorial Day weekend, the Alabama Law Enforcement Agency (ALEA) is kicking off 101 days of safety throughout the summer months, beginning with the busy holiday weekend on Friday, May 27, and ending on Labor Day, Sept. 5, which, for many, is the last major holiday weekend of the summer season.

The Agency will utilize an assortment of platforms and partnerships with local first responders to implement and convey a variety of safety initiatives along with tips and messages to keep your loved ones safe while enjoying all the summer festivities. From the highways, waterways and even the airways, ALEA will be there to assist and preserve public safety for all.

"After the challenges and restrictions of COVID-19, we realize and understand that Alabamians and citizens from across the nation will be traveling to and through our state to reach their fun-filled destinations to enjoy this holiday weekend with both friends and family. As the state law enforcement agency, we have developed a variety of initiatives to ensure that Alabama's highways, waterways and beaches are safe for all," said ALEA Secretary Hal Taylor.

The official Memorial Day travel period begins on 12:01 a.m. Friday, May 27, and concludes at midnight Monday, May 30. Like previous years, all available Troopers within ALEA's Highway Patrol and Marine Patrol Division will be actively patrolling Alabama's busy roadways and scenic waterways. However, this year, the Agency is taking safety a step further and utilizing its Aviation Unit to partner with Gulf Shores and Orange Beach to assist with a Summer Rescue Swimmer detail throughout the entire Memorial Day weekend.

"The purpose of this detail is to provide a rapid response water emergency team to enhance the safety for all citizens and visitors on Alabama's beaches," said Protective Services Division.

Chief Stephen Tidwell. "Our Aviation Unit will provide an aircraft and pilot to

quickly fly and deploy rescue swimmers from both Gulf Shores and Orange Beach Fire Departments to distressed swimmers. The aircraft will also be utilized to conduct beach safety flights, patrolling in those areas where lifeguards are not available."

Director of ALEA's Department of Public Safety (DPS) Colonel Jimmy Helms added, "We know that many citizens across the state are planning to visit and enjoy Alabama's beautiful beaches, which is why we felt it necessary to coordinate, develop and include beach safety within our Agency's Memorial Day and summer safety initiatives. We integrated this valuable control measure into ALEA's safety plan in conjunction with incorporating it into our messaging campaign, which includes tips to avoid crashes on both highways and waterways across our state, in an effort to ensure that everyone returns home safely."

Steve Thompson, Chief responsible for ALEA's Marine Patrol Division noted, "Along with ALEA Aviation, Troopers assigned to our Marine Patrol Division will also be available to assist with any boaters in distress, not only on the Gulf Coast, but along all Alabama's waterways. Our state has a multitude of waterways which host a variety of aquatic and marine related activities, so regardless of where you plan to enjoy your Memorial Day weekend festivities, Marine Patrol Troopers will be out patrolling Alabama's rivers, lakes and beaches. Troopers will be conducting safety vessel inspections to ensure every boat on the water is properly equipped with all the necessary safety equipment including a personal flotation device (PFD) for everyone on board the vessel. Our Troopers will also be on the lookout for indications that vessel operators maybe impaired. Please understand there will be zero tolerance for boating under the influence. We want everyone to relax and enjoy the upcoming weekend, but you must be safety aware while on the water."

"All available Troopers within the ALEA's Highway Patrol Division will be out in full force before and during this Memorial Day holiday weekend to ensure Alabama roadways are as safe as possible," Secretary Taylor added. "Recently, we have seen a dramatic increase in commercial motor vehicle traffic across our state, as various industries continue to move into Alabama, we believe this trend will only increase."

"Given the influx in commercial vehicle traffic along with the much-anticipated Memorial Day weekend, we may see historic volumes of traffic on Alabama roadways. While we recognize and understand motorists are eager to reach their favorite vacation destination, we cannot stress enough how essential it is to have a pre-trip checklist and include a roadside emergency kit within that inspection. We also remind everyone how important it is to be vigilant when driving on roadways in heavier-than-normal traffic, especially when commercial vehicles are present. You must be a defensive driver because the slightest amount of inattention can have tragic consequences," said Colonel Jimmy Helms.

ALEA offers the following safety tips to remember:

**Highway Safety Reminders**

- Remain attentive around large vehicles and semi-trucks. Large vehicles such as semi-trucks command a heavy presence on interstates. They have limited maneuverability, longer stopping distances and bigger blind spots.
- Expect traffic heavier than usual. Adjust travel plans to accommodate busier roadways and waterways and leave a bit earlier. Avoid speeding, following vehicles too closely and other dangerous behaviors on roadways.
- Prepare your vehicle. Get your vehicle's tires, brakes, exterior lights, battery, air filters, wipers and fluid levels checked before you leave for a trip. Keep an emergency kit available. (Inflated spare tire, first aid kit, jumper cables, phone charger, etc.)

See ALEA, Page 10

**WOODMENLIFE CHAPTER THANKS FIRST RESPONDERS...** Earlier this month, the Coffee County Commission and Elba City Council each proclaimed the week of May 15-21 as Emergency Medical Services Week, and in conjunction with that, WoodmenLife Chapter 1932 extended appreciation to local emergency service providers by supplying a meal for them Tuesday evening, May 17<sup>th</sup>. A food truck, owned locally by Marty Tarey, was set up at the Elba Volunteer Fire Department for first responders from the Elba FD, Elba Police Dept., Enterprise Rescue (Elba and Enterprise locations), and Coffee County Sheriff's Department to enjoy. WoodmenLife representative Linda Westbrook said there was a big turnout for this meal, and she along with WoodmenLife Chapter 1932 officers Phillip Curtis, Kathy Edmondson, and Chip Westbrook extended a huge thanks to the first responders for all they do in serving the community. She said the food was delicious and everyone seemed to have a good time. Photos from the evening are highlighted above.

Automation System to extend the useful life of equipment

- Implemented PC Power Management and VoIP
- Enhanced water conservation
- Increased indoor comfort through building envelope improvements.

According to Schneider Electric, the \$1 million in savings earned by Coffee County at this point in the project partnership are funds that otherwise would have gone towards utility costs, but instead, the county has been able to use those funds for improvements.

Also, during Monday's meeting, Coffee County Revenue Commissioner Ronnie

Burns provided his daily report on property tax collections for the year.

For the year, he said the county collected almost \$19 million in property taxes.

"This was a successful year," Burns said. "We were withing one hundred thousand dollars of collected \$19 million."

He reported the insolvents, errors and litigations for the year. These represent either mistakes made by the revenue commissioner's office or an error in assessment. They must be written off and redone.

Commissioners voted to accept the reported insolvents, errors and litigations as reported.

## CRISIS

Continued from Page ONE

"We've brought the mayor a floor plan, and we need four acres of land to build this facility," Wright said. "We have come to Elba to see if you are interested in discussing having it here."

Wright said a couple other communities within the service area would be approached too.

"Several things appeal to us about Elba and locating the facility here," he said. "We think Elba offers a lot of opportunities for the center, but we want to be where we are wanted. I can assure you with the board members you have representing Elba on our board, your voice will be heard."

Wright said he likes the proximity Elba has to places like Enterprise, Troy, and even Dothan regarding the hiring of staff. Also, he said the bypass and road structures in Elba are very appealing in the easy access it would provide.

"This will be a diversion from hospitals, jails, and emergency rooms so it will be a secure facility," Flowers said. "We will have on site security and be able to hold people."

She said the concept of the diversion center is it is a "no wrong door" facility in that if a person has a crisis, he/she can come to the facility and be treated/helped.

"This is for anyone with a behavioral crisis, including mental, drug, domestic violence, homeless, etc." Flowers added. "You can walk-in, be brought by law enforcement, ambulance. We want to help prevent the crisis, not just respond to it."

Wright added, "People will hit our front door - some will leave in matter of hours, some may stay overnight, and in other cases they can stay up to 7 days."

He said the new facility would be funded with the Fiscal Year 2023 budget beginning Oct. 1.

"I would like to bring it online in 2023, but it most likely will be 2024 due to supply chain issues and other things," Wright said.

Flowers said the facility also would bring 30-40 new jobs to the city, as well as have a positive impact on the local economy.

"As board members, we really got excited as Elba became more discussed, and we were saying 'we have to take this to our city council,'" Lucia Grantham said. "We are thrilled about the possibility not only in the people we will help [through the facility], but also about the traffic it could bring here to help our community economically."

Wright said this would be the first rural crisis center in the state. He said he hopes

the board will be able to make a decision on location by June.

Following the presentation, council member Johnathan Lockett made a motion with a second from council member A.R. Williams to open discussions with the South Central Alabama Mental Health Center in hopes Elba will be chosen as the location for the new crisis diversion center. The motion passed by unanimous vote of the council.

## NOTICE:

During the Elba City Council meeting Monday night, Mayor Tom Maddox said the Elba Healthcare office plans to open in Elba on July 1st. This office is being opened by Mizell Hospital in Opp, Ala.

It will be located on Drayton Avenue, across the street from the Elba Nursing Home and Rehab Center.

Further, Maddox said nurse practitioner Dylan McCollough would begin work there on July 6th. He is a native of Elba.

## ALEA

Continued from Page 9

• Avoid driving under the influence of alcohol or drugs. If you plan on consuming alcohol pre-plan for a designated driver, call Uber or a cab. Designate a sober driver in advance to get you home safely

• Buckle up - no matter how short your trip. Ensure all the vehicle's occupants are buckled up and children are utilizing a child restraint system. Car seats and boosters provide protection for infants and children in a crash, yet car crashes are a leading cause of death for children ages 1 to 13.

• Don't follow other vehicles too closely. "Following too close" is one of the leading contributing factors behind crashes. Maintaining situational awareness and operating under a defensive driving posture is critical in avoiding crashes especially during high traffic periods.

**Boating Safety Reminders**

- Holidays are not the time for novice boaters to learn to operate their crafts. Operator inexperience is one of the leading contributing factors to boating crashes in Alabama. New operators should consider attending an in-person boating-safety class prior to going to the water.

• Children younger than age 8 are required to always wear PFDs (unless inside a permanently affixed cabin enclosure). They also should wear PFDs that are the appropriate size.

• Be mindful of other boaters. Avoid passing too closely to boats in motion, boats at idle and persons in the water.

• Boaters should avoid the use of alcoholic beverages or use the designated operator system. The sun, wind and other weather conditions already produce an effect on boaters known as "boater fatigue," and the consumption of alcohol only compounds and intensifies the effect.

• Avoid boating at night unless familiar with the body of water. Then, operate at a reduced, safe speed. Make sure all navigation lights are in proper working order and displayed properly. Have a cell phone and flashlight on hand in case of emergency.

• Inflatable PFDs may not be used by persons at the age of 15 and younger. They also are not approved for use by skiers, persons being towed on tubes or other aqua-planing devices, or for use on personal watercraft.

## Beach and Swimming Safety Reminders

• Always check surf and weather conditions before heading to the beach and observe beach flags.

• Never swim alone. Always stay in groups. Don't wander too far from shore.

• Don't swim near piers, pilings, and platforms. Exercise caution when swimming in areas between sandbars or near steep drop-offs.

• Do not swim in areas being used by fishermen. Avoid swimming in areas where schools of fish are present. Diving seabirds are good indicators of areas to avoid.

• Use extra caution when water is murky. Avoid being in the water during dusk, nighttime, or twilight hours.

• Rip currents are most prevalent when the waves crash perpendicular to the beach rather than at an angle. Rip currents are also common in areas near sand bars, piers, pilings and jetties.

• One of the easiest ways to spot a rip current is to look for gaps between the waves. A small patch of calm water surrounded by waves is often a rip current.

• Look for discolored water near the shore. Rip currents tend to drag large amounts of sand and sediment back out to sea with them, so many rip currents are easily identified by a noticeable flow of sand extending away from the shore.

## Get a voter registration form

You can download the State of Alabama Mail-in Voter Registration Form from the website address shown below. Then, just print it, fill it out, and mail it in to your local board of registrars! Any individual registering to vote must send the completed application with his/her original signature to the county’s board of registrars in which he/ she resides.

[www.coffeecountyvotes.com](http://www.coffeecountyvotes.com)

The registration form can also be obtained at public libraries, the court house or the Coffee County Board of Registrars.

**Coffee County**  
**Board of Registrars**  
**6 County Complex**
